PROFILE

Front-End Web Developer with 4 years of experience specializing in React, Angular and Ionic frameworks. I stand out for my ability to work in a team, as well as for my experience in leading and mentoring other developers. Committed to creating efficient and attractive user interfaces, I bring innovative solutions and a collaborative approach to every project.

EXPERIENCE

Front End Web Developer · 11/2023 - 07/2024

ESAIL IT SOLUTIONS · Málaga, España

At ESAIL I led the Front End team, where I improved organization and productivity by introducing key methodologies and technologies. I focused on ensuring code quality through thorough reviews and the application of best practices, continuously monitoring to maintain high standards in each project.

Front End Developer · 05/2023 - 11/2023

KUBIDE · Málaga, España

At KUBIDE, I contributed to the development of Front-End solutions, ensuring best practices, performance optimization, and usability. I took on responsibilities in training colleagues, quality control of the code, and project management from the outset to ensure their success.

Front End Web Developer · 01/2020 - 08/2023

ESAIL IT SOLUTIONS · Málaga, España

At ESAIL, I focused on the analysis, organization, and development of innovative products, managed the Front-End team, and trained new department members. I also ensured best practices, implemented methodologies and technologies, and maintained communication with clients to provide customized solutions. Additionally, I prepared documentation and user manuals with the final product.

EDUCATION

Bootcamp Full Stack Web Development · 10/2020 - 10/2021

CodeHouse Academy · Málaga, España

Telecommunications Engineering · 10/2013 - Present

University of Malaga (UMA) · Málaga, España
